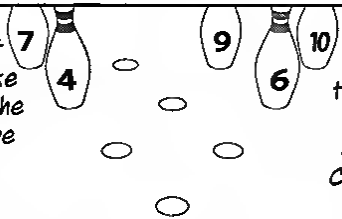
They tend to resemble what remains after the first roll in bowling.

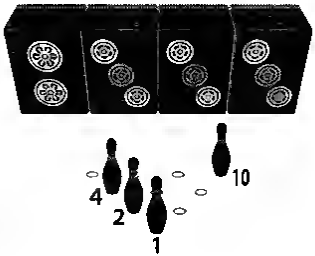
Data is lacking, but Sagimori seems to prefer pinzu waits.

Her wait just now looked like that, without the 10, since there are none in Mahjong.



In bowling, when the pins 4, 6, 7, 9, 10 remain, it's called the Greek Church or Big Five.

This 1 ⚀, 2 ⚁, 4 ⚃ pin wait resembles a washout in bowling.



Sagimori also gets this wait a lot.

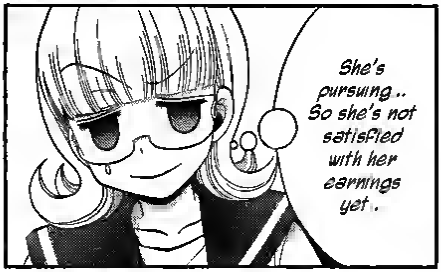
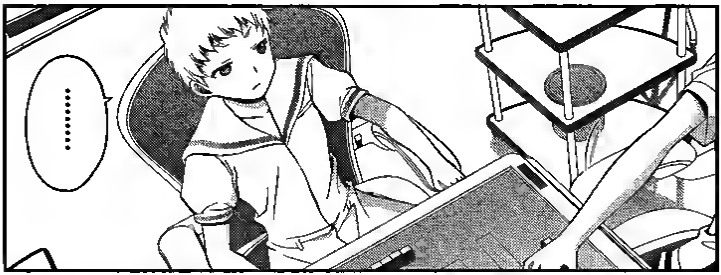
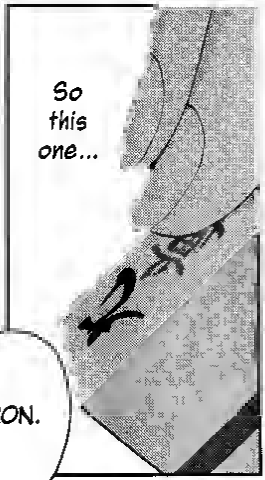
With a hand like this, late in the game, against a dealer riichi, usually I'd fold.
But I'm not going to do that now.
I need to get closer in points, but.
...every one of my wins have a value beyond anyone's expectations.
RIICHI!
MY WINS...
...BECOME HIMEKO'S WINS AS WELL!!



She's pursuing.. So she's not satisfied with her earnings yet.



……



So this one...
RON.

I want to keep my hand alive, but I'll play more carefully...

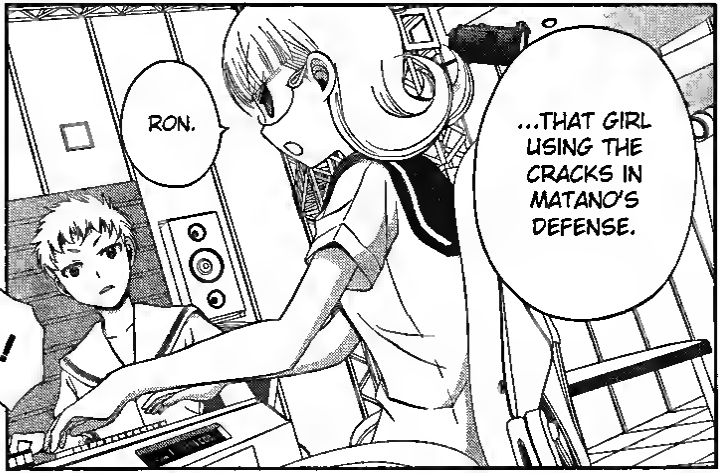
MATANO RELIES WAY TOO MUCH ON SUJI AND HONOR TILES WHEN SHE'S PLAYING SAFE.
SHE DEALT IN!

SHE IS FACING SOME TOUGH OPPONENTS NOW... SHIROUZU MAIRU AND...
USUALLY, THAT'S ENOUGH TO WIN THE GAME, BUT...



RON.
...THAT GIRL USING THE CRACKS IN MATANO'S DEFENSE.

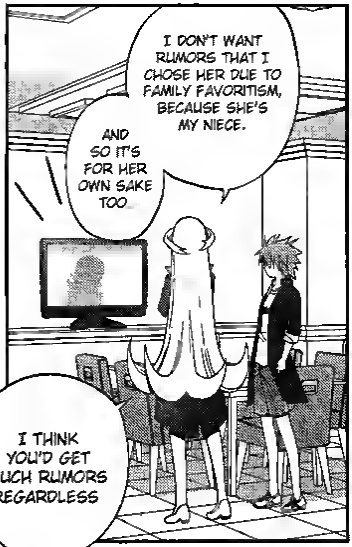
IT'S OKAY, I KNOW.
AH, WITH FUNA-Q I MEAN HIROKO.
WELL, WHEN FUNA-Q COMES BACK AND THERE ARE NO REGULARS WAITING HERE, I'D FEEL SORRY FOR HER.



I DON'T WANT RUMORS THAT I CHOSE HER DUE TO FAMILY FAVORITISM, BECAUSE SHE'S MY NIECE.
AND SO IT'S FOR HER OWN SAKE TOO...
I THINK YOU'D GET SUCH RUMORS REGARDLESS

SHE'S IN GOOD FORM TODAY.
THAT HELPS ME A LOT.

PEOPLE WHO ONLY CARE ABOUT OUR RANKING WILL GOSSIP NO MATTER WHAT.

EVERYONE IN THE CLUB UNDERSTANDS, BUT...

I'M SURE FUNA-Q UNDERSTANDS THIS TOO.

South second round second dealer repeat

My point difference to second place Achiga is..

You're within my reach now!

BUT, UM, IF IT'S JUST SOMEONE WHO IS RELIABLE...

...I THINK AKO-CHAN WOULD FIT TOO...

HMM...

AKO'S PERSONALITY IS A LITTLE DIFFERENT FROM RELIABLE.

SHE DOESN'T FIT THE IMAGE OF A HARD WORKER...

RATHER THAN RELIABLE, SHE'S MORE CUNNING...

YEAH, I GUESS SO...
